

around election by adding
those who follow

of any person elected to either
is a number of either house of the
legislature, or for or for the
his vote influence in favor of or
against any measure of proposition
funding or proposed the interest
into the legislature, in consideration
of, upon condition that any other
person elected either a number of
the same legislature, will give, or will
promise or attempt to give, his vote or
influence, in favor of or against any
other measure of proposition funding
or proposed to be introduced into such
legislature, the person making such
offer or promise is guilty of subornation
of bribery, and if any such person
gives his vote or influence in favor
of or against any measure funding
in such legislature, upon condition
that any other member will give, or
promise or attempt to give his vote or
influence in favor of or against
any other measure of proposition
funding or proposed to be introduced
in such legislature, or in con-

sideration that any other member
has given his vote or influence for or
against any other measure or
proposition in such legislature is
guilty of bribery. Any such person
who is guilty of either of such
offenses shall be expelled and
shall not be eligible and shall
legislature or the right of suffrage
and on conviction of such offense
in the courts shall be liable to such
punishment as may be
provided by law
